

AUBURN HAMMOCKS OWNERS ASSOCIATION, INC.

Rules & Regulations for Patios

All patios requests must be reviewed and recommended by the Architectural Control Committee (ACC) and approved by the Board of Directors.

- Patios should be no wider than 4 feet on the back and no more than 7 feet on the side.
- Composition of paving brick similar to driveways in color and design for the patio surface.
- There shall be no permanent additions or plantings surrounding or upon the patios.
- Furniture of all types shall be removed when not in use. No furniture shall be permitted on the back side of the lanai.
- Barbecue grills allowed and should have appropriate cover when not in use.
- Must be level with the ground and unit owner must pay for rerouting of irrigation heads and/or lines.

I have read the Rules and Regulations for Patios and agree to comply.
