**DECLARATION OF MANAGEMENT COVENANTS  
FOR  
ST. ANDREWS EAST/PLANTATION COMMUNITY**

**THIS DECLARATION** is made and executed this 20 day of MAY, 2005, by SAP Development I, Inc., a Florida corporation ("SAP") and SAP Panther Development, Inc., a Florida corporation, hereinafter collectively called "Declarant,"

**WITNESETH:**

**WHEREAS**, Declarant is the Owner of the following described property lying and being in the County of Sarasota, State of Florida, to-wit:

All that property described in Exhibit "A" attached hereto;

which property is hereinafter called the "Community"; and

**WHEREAS**, Declarant anticipates that there will be constructed within the Community residential dwelling units or improved subdivision lots which will share certain common areas and recreational facilities as hereinafter described; and

**WHEREAS**, SAP shall develop certain improvements within the Community, which improvements are intended to be made available to and used by all property owners with the Community on a non-exclusive shared basis, as hereinafter set forth; and

**WHEREAS**, Declarant desires to establish protective covenants covering the development, improvement, and usage of the property in the Community for the benefit and protection of all Owners thereof;

**NOW, THEREFORE**, Declarant does hereby declare that all property in the Community shall hereafter be subject to the following provisions, restrictions, reservations, covenants, conditions and easements:

**1. DEFINITIONS.**

(a) "Assessable Share" shall mean and refer to the total assessment to be levied from time to time by Association against each Class A Member and its respective Component Project. The Assessable Share for each Component Project may vary from time to time until complete buildout of the dwelling units within each Component Project. The Assessable Share shall be equal to the total number of completed units within each Component Project. Completion shall be determined as follows:

(1) As to units within a condominium, completion shall be determined and evidenced by a surveyor's Certificate of Substantial Completion and the issuance of a Certificate of Occupancy by Sarasota County and conveyance of the unit to a retail purchaser;

(2) As to dwelling units within a platted subdivision with a development scheme of a combination of a lot and house offered by the developer, completion shall be evidenced by the issuance of a Certificate of Occupancy for the house by Sarasota County and conveyance of the lot to a retail purchaser; and

(3) As to lots within a platted subdivision where the scheme of development does not contemplate the construction of dwelling units by the developer, completion shall be evidenced by the recording of the subdivision plat in the Public Records of Sarasota County and conveyance of the lot to a retail purchaser.

(4) As to other development type, completion shall be evidenced by the issuance of a Certificate of Occupancy or Completion, as applicable, Sarasota County, and the recording of a declaration of restrictions specific to that Component Project.

In order to determine the Assessable Share for each Component Project, the total assessment levied by the Association will be divided by the total number of completed units within the Community and such amount shall then be multiplied by the number of completed units within the Component Project. The Assessable Share of Community Developer as Class B Member shall equal one completed unit; provided, however, that Community Developer shall be excused from payment of its assessment in the event it guarantees the budget.

(b) "Association" shall mean and refer to the St. Andrews East/Plantation Community Association, Inc., a Florida corporation not for profit.

(c) "Board" shall mean and refer to the Board of Directors of Association.

(d) "Community" shall mean and refer to that property described in Exhibit "A" attached hereto.

(e) "Community Developer" shall mean and refer to SAP Development I, Inc., a Florida corporation, its successors or assigns.

(f) "Community Property" shall mean and refer to those parcels of real property located within the Community set aside for use, ownership or benefit of the Community, as discussed in Article 5. In light of the fact that these Covenants are being executed and recorded at the beginning of the development process for the Community, it is impossible to predict with precision where subsequent Component Projects will be located, therefore any Community site plan distributed to purchasers in connection with a sale or as an exhibit to sales materials is merely an example of how the Community might be developed and is not the essence of this agreement nor binding upon the Declarant nor any Component Project developer.

(g) "Component Project" shall mean and refer to a condominium project, platted subdivision or other project subject to its own declaration which is developed within the Community.

(h) "Component Project Developer" shall mean and refer to (a) the developer of a Component Project within the Community, or (b) prior to development of a Component Project, the owner of property within the Community intended for development. For example, the Component Project Developer of Buckingham Meadows of St. Andrews East at the Plantation is SAP Development I, Inc.

(i) "Component Project Association" shall mean and refer to the homeowners or condominium association established for the purpose of operating, managing and maintaining a Component Project.

(j) "Declarant" shall mean and refer to SAP Development I, Inc. and SAP Panther Development, Inc., their successors or assigns.

(k) "District" shall mean Southwest Florida Water Management District.

(l) "Member" shall mean and refer to the two classes of members: (i) Class A Members shall be the Component Project Associations, but shall not refer to individual members of such associations. For example, "Class A Member" would include the Buckingham Meadows of St. Andrews Park East Association, Inc., which is the condominium association to be formed in connection with the development of the condominium to be known as Buckingham Meadows of St. Andrews East at the Plantation, to operate, manage and maintain such condominium, which is a Component Project within the Community; and (ii) Class B Member, which is Community Developer, its successors or assigns.

(m) "Owner" shall mean and refer to the fee simple owner of any platted lot or platted condominium unit or other property within the Community.

(n) "Plantation Covenants" shall mean and refer to the "Plantation Master Covenants" recorded in Official Records Book 1450, Page 16, Public Records of Sarasota County, Florida, as the same have been or may be amended from time to time.

(o) "Surface Water Management System Facilities" shall mean and refer to (but are not limited to) all inlets, ditches, swales, culverts, water control structures, retention and detention areas, ponds, lakes, floodplain compensation areas, wetlands and any associated buffer areas, and wetland mitigation areas.

(p) "Unit" shall mean a condominium unit, a lot improved or vacant as described in subparagraph 1(a)(2) and 1(a)(3), or a membership right in a property owners association as described in subsection 1(a)(4).

2. **ASSOCIATION.** Except as may be otherwise provided by the terms hereof, responsibility for the operation, management, and maintenance of the Community Property shall be vested in an incorporated association known as St. Andrews East/Plantation Community Association, Inc., a Florida corporation not for profit, hereinafter called the "Association." The primary purpose of the Association shall be to maintain the Community Property, enforce the provisions of this Declaration wherever applicable and appropriate, and perform such other duties as may be assigned to it under the terms hereof or under its Articles of Incorporation and Bylaws. Each Component Project Association within the Community shall automatically be a Class A Member of the Association. A copy of the Articles of Incorporation of the Association, which shall be filed with the Secretary of State, is attached hereto as Exhibit B. A copy of the Bylaws governing the operation of the Association is attached hereto as Exhibit C. The Association shall have all of the rights and powers provided by the Florida corporation statutes, the Articles of Incorporation, the Bylaws, and this Declaration.

3. **VOTING RIGHTS.** Each Class A Member shall be entitled to a number of votes equal to the number of completed units within that Member's respective Component Project, subject to the rights of the Class B member to appoint the members of the board of directors or majority thereof, all as further discussed in Paragraphs 1(a) and 14 and in the Articles and Bylaws of the Association.

4. **PLANTATION COVENANTS.** Community is an integral part of a larger development known as "The Plantation Golf and Country Club" (the "Plantation"). The Plantation is a planned unit development being developed pursuant to a resolution approved by Sarasota County. In connection with such development, certain land areas, referred to in the Plantation Covenants as "Common Areas," have been and may from time to time in the future be set aside for use by or deeded to The Plantation Management Association, Inc., a Florida corporation not for profit (hereinafter referred to as "Plantation Management Association"), as land available for the common use, enjoyment, or benefit of all property owners within the Plantation. The Common Areas may include, by way of illustration and not by way of limitation, private roads, waterways, lakes, ponds, bicycle and other paths, walkways, parks, and other open areas.

The purpose of Plantation Management Association is to own, improve, maintain, and manage the Common Areas of the Plantation and to conduct the affairs of the planned unit development in accordance with its Articles of Incorporation and Bylaws and the Plantation Covenants, as the same may be amended from time to time, and in accordance with any and all applicable resolutions and ordinances of Sarasota County regulating planned unit developments. Membership in Plantation Management Association of each unit Owner or lot Owner in each Component Project is hereby stated and recognized to be a necessary and essential part of the orderly development of the Plantation as a planned unit development. Therefore, all unit Owners and lot Owners in any and every Component Project shall be required to become members of the Plantation Management Association and to maintain such Membership in good standing.

Plantation Management Association shall have the right to levy assessments and to enforce collection thereof by placing liens against the units or lots in the Community. The Plantation Covenants authorize Plantation Management Association to enter into an arrangement with condominium and subdivision associations in the Plantation for the collection of the annual maintenance assessment levied by the Plantation Management Association. In the event of such request, the Board may cause those assessments to be collected by Association or by a Component Project Association.

**5. COMMUNITY PROPERTY.** Community Developer or Component Project Developers shall from time to time construct recreational facilities and certain roadways for property Owners and Component Project Developers within the Community. Certain of these roadways may be "limited private roads" under the terms of the Plantation Master Covenants, the use of which would be limited to Declarant, Community Developer, Members, Owners and Component Project Developers in the Community and their licensees and invitees, along with all parties (including utility providers) having an interest in any easement within the Community or any Component Project, law enforcement officials, fire, rescue and emergency medical service providers. All Members, Owners, Component Project Developers, Community Developer and Declarant, and approved tenants of Members, shall be entitled to use the recreational facilities.

Declarant, Community Developer, Component Project Developers and each Member and Owner shall be entitled to use of a limited private road or completed portion thereof, and any recreational facilities constructed on Community Property, when made available for general usage by Association, subject to the provisions hereof.

Community Developer may install a common system for irrigation of sod and landscaping and a street lighting system for limited private roads, travelways or private access easements within the Community, which when installed (or portions thereof completed) shall be deemed Community Property.

Responsibility for operation and maintenance of the Community Property and any improvements constructed thereon shall lie with the Association. Responsibility for operation and maintenance of the surface water management system facilities shall initially lie with Association, and it is anticipated at some point that this responsibility may be transferred to Plantation Management Association. The District has the right to take enforcement measures, including a civil action for injunction or penalties, against the Association to compel it to correct any outstanding problems with the Surface Water Management System Facilities. Any amendment of this Declaration affecting the Surface Water Management System Facilities or the operation of same shall require the prior written approval of the District. If the Association ceases to exist, all of the lot owners, parcel owners or unit owners within the Community shall be jointly and severally responsible for operation and maintenance of the Surface Water Management System Facilities in accordance with the requirements of the Environmental Resource Permit, unless and until an alternate entity assumes responsibility as set forth under appropriate rules or regulations of the District. To the extent that any portion of the Community Property requires on going monitoring and maintenance of on-site wetland mitigation, then the Association shall be obligated to allocate sufficient funds in its budget for monitoring and

maintenance of the wetland mitigation area each year until the District determines that the area is successful in accordance with the Environmental Resource Permit. Community Developer may from time to time designate lands within the Community as Community Property, with the consent of the titleholder of said lands. Title to the Community Property shall be conveyed by quit claim deed from Community Developer to the Association no later than 90 days after the latter of the date of the "turnover" meeting of Members of the Association as described in the Association's Articles of Incorporation or the date on which the last unit, lot or parcel subject to an Assessable Share within the Community is conveyed to a retail purchaser.

6. **COMMUNITY DEVELOPMENT PLAN.** These Covenants are being drafted, executed and recorded at the commencement of development within the Community. It is anticipated by Declarant and by Community Developer that the Community will be developed into a number of separate Component Projects. All property to be improved and designated as Community Property shall be the responsibility of Community Developer. Under such development plan, there would be a number of Class A Members equal to the number of homeowners or condominium associations (i.e. the Component Project Associations) formed in conjunction with the development of each of the projects (Component Projects). It is intended hereunder that each Component Project Association shall be responsible for maintenance of common property within its Component Project. Any improvements constructed upon Community Property shall be made available for the common use, benefit and enjoyment of the Members, which in turn shall make them available for all Owners within the Community.

At its option Declarant may withdraw any portion of the Community from the purview of these Covenants, provided that such property has not previously been improved, or if improved has not been designated and submitted to record as Community Property, and provided it is withdrawn with the consent of the title holder of said property. Further, at its option, Declarant may cause additional lands or property to be submitted to the provisions of these Covenants.

NO WARRANTIES OF FITNESS, HABITABILITY, OR MERCHANTABILITY AS TO ANY PORTION OF THE COMMUNITY PROPERTY OR IMPROVEMENTS CONSTRUCTED THEREON BY DECLARANT OR COMMUNITY DEVELOPER OR ANY COMPONENT PROJECT DEVELOPER SHALL BE IMPLIED.

7. **GOLF COURSE.** Included within The Plantation are two golf courses (the Panther and Bobcat courses) which are part of The Plantation Golf and Country Club. These golf courses are not part of the Community, and usage of the golf courses by any Owner or membership in The Plantation Golf and Country Club is subject to such conditions as may be imposed by the Club. The right of usage of the golf course or club facilities is not guaranteed to any Owner. Anyone playing golf upon the golf course shall have a license to come upon the lands of the Community to retrieve errant golf balls. Such license shall not relieve any person causing damage by an errant golf ball or while retrieving it of responsibility for such damage.

8. **COMMON EXPENSES.** All costs and expenses that may be duly incurred by the Association through its board of directors from time to time in operating, maintaining, improving, protecting, managing, and conserving the Community Property and in carrying out its duties and responsibilities as provided by this Declaration and by its Articles of Incorporation and Bylaws shall constitute "common expenses" of the Association. Funds for the payment of the common expenses shall be collected by the Association through assessments against the Members in accordance with the provisions of Paragraph 12. By way of illustration and not as a limitation, the common expenses shall include:

(a) costs of operation, maintenance, repair, and replacement of the Community Property;

(b) costs of management of the Association and administrative costs of the Association, including professional fees and expenses;

(c) costs of water and sewerage service, electricity, and other utilities furnished to the Community Property that are not metered separately to the Component Projects or Component Project Developers;

(d) labor, material, and supplies used in conjunction with the Community Property;

(e) damages to the Community Property in excess of insurance coverage;

(f) salary of a manager or managers and their assistants, as shall be determined by the board of directors of the Association;

(g) premium costs of all fire, windstorm, and other insurance procured by the Association pursuant to the terms hereof. This may also include costs of directors and officers insurance if the board desires at its option to obtain same;

(h) costs of real estate, personal property and other taxes assessed against Community Property from time to time;

(i) costs incurred by the Association, upon approval by the board of directors, for the installation of additions, alterations, or improvements to the Community Property, or for the purchase of additional lands, leaseholds, or other possessory or use rights in lands or facilities, or memberships or other interests in recreational facilities, acquired for the benefit of all the Members. Provided, however, that if the cost of any of such items is more than 15 percent of the total amount of the annual budget, the purchase or acquisition of such items shall first be approved by the affirmative vote of Members holding a majority of the total votes of the Association Membership; and

(j) other costs as necessary to perform Association's duties hereunder.

9. **INSURANCE, DESTRUCTION, AND RECONSTRUCTION.** Except as otherwise provided herein, the Association, as agent for and on behalf of the Members and mortgagees of the respective Owners, shall obtain and maintain fire and extended coverage insurance with a responsible insurance company upon all of the insurable Community Property for the full replacement cost or insurable value thereof. The Association Board of Directors also is authorized to obtain and maintain such other types of insurance as it deems appropriate. The premium for all insurance shall be paid by the Association and shall be included in the assessment for common expenses. The Association shall have full authority as agent for the insureds to compromise and settle all claims against its insurance carrier and may institute legal proceedings for the collection thereof. The original policy of insurance shall be held by the Association, and institutional first mortgagees shall be furnished, upon request, mortgage endorsements covering their respective interests. Each Member shall be responsible for insuring all improvements and potential liability events occurring within its own Component Project. Notwithstanding the foregoing, any insurance otherwise required to be maintained by the Members by the terms hereof may be included in the insurance coverage purchased by the Association and paid for as part of the common expenses, if so authorized by the Association board of directors and approved by majority vote of the Membership.

In the event of a destruction or casualty loss to any of the improvements within the Community Property or other property serving the Members, all insurance proceeds payable under the Association's policies shall be collected by the Association. If the proceeds are in excess of the total annual budget, they shall be immediately paid over by the Association to a banking corporation having trust powers selected by

the Association board of directors. The proceeds shall be held by the bank in trust and used for the immediate repair and reconstruction of the damaged improvements under the supervision and control of the Board. The insurance carrier shall not be responsible to ensure that the proceeds are paid over to the bank trustee or are properly applied as provided herein. The bank trustee shall disburse the proceeds held by it upon written draw requests signed by the president or vice president of the Association as reconstruction progresses. Upon completion of reconstruction, any insurance proceeds shall be returned to the Association and added to the Association's general funds. In the event the proceeds are not sufficient to pay the cost of the reconstruction and the bank trustee's costs and reasonable fees, the Association shall furnish sufficient additional funds to Trustee as a part of the common expenses of the Association. The Association's insurance carrier shall not have a right of subrogation against any Member, but if it is determined by the board of directors that the damage was proximately caused by the gross negligence or willful and wanton misconduct or intentional acts of an Owner, such Owner may be assessed a sum sufficient to reimburse the Association for any deficiency in insurance proceeds, which sum shall be payable by such Owner within 30 days after delivery of written notice of the assessment. In the event the insurance proceeds are less than the amount of the total annual budget, they need not be placed in trust but shall be held by the Association and applied directly by the board of directors for the above purposes.

Mortgagees and other lienholders will evidence their acceptance of and consent to the foregoing provisions by the acceptance of their mortgages or perfection of their liens. The provisions of this Paragraph 9 may be enforced by injunction, by suit for specific performance, or by other appropriate remedy upon suit filed by the Association in a court of competent jurisdiction.

**10. LIABILITY INSURANCE.** The Association shall obtain and maintain public liability insurance covering the Community Property insuring the Association and the Members and Owners as their interests may appear in such amount as the board of directors may deem appropriate. The premiums for such insurance coverage shall be a part of the common expenses. The board of directors shall have authority to compromise and settle all claims against the Association or claims made under insurance policies held by the Association. The Members and Owners shall have no personal liability upon any such claims, except as may be otherwise provided by law, and nothing herein contained shall in any way be construed as imposing upon the Association a duty to assess members or Owners for the purpose of raising sufficient funds to discharge any liability in excess of insurance coverage. Each Class A Member will be responsible for procuring and maintaining public liability insurance covering losses which may occur in and about its respective Component Project.

**11. RESTRICTIONS UPON USE.** No Owner or Class A Member or party other than a Component Project Developer shall within any Component Project undertake alterations to a building exterior, or the construction of additional improvements, or the painting of existing improvements a color other than as initially developed, without first obtaining the prior written consent of the Board. The Board at its discretion may cause to be promulgated architectural standards to control such work, and the Board may delegate its duties hereunder to an architectural review committee. No Owner or Member shall without prior consent of the Board erect any exterior lights or signs; place any signs or symbols in windows or on any balcony or exterior surface; enclose or place any awning or device upon any balcony; tint any window; erect or attach any structures or fixtures outside a unit interior; make any structural additions or alterations to the Community Property; fasten any objects to the exterior walls; or discharge saline or other regenerating solution from water softening equipment or any other chemicals into any street, easement, surface water drain, or area of the Community so as harmfully to affect any landscaping or plants or pollute the Plantation or Community drainage system. The Association shall have the authority at its discretion to enforce provisions or restrictions contained within any declaration of condominium or restrictions recorded in connection with any Component Project. There shall be no parking of vehicles other than in designated parking areas. The Association shall have the right to tow vehicles and to pass rules related to the towing of vehicles or the towing of trailers or other non-permitted vehicles, trailers or equipment. Parking spaces

within the Community not located beneath a building or enclosed shall be used only for parking of vehicles, and not for storage of equipment, grills, bicycles, or for uses other than vehicle parking. All vehicles within the Community and within Component Projects must be fully licensed, registered and operational. The Board may grant a variance to restrictions or requirements under these Covenants, if found necessary, reasonable or desirable in the judgment of the Board.

12. **ASSESSMENTS.** The common expenses of the Association shall be payable by annual and special assessments levied by the Board against all Members, based upon the number of assessable shares as determined at the time of such assessment. The Board shall approve annual budgets reflecting anticipated income and common expenses for each fiscal year and thereupon shall levy an annual assessment against each Member. The annual assessment shall be collected in the manner provided in the Articles and Bylaws. The Board shall have the power to levy special assessments against the Members as prescribed in the Bylaws. Payment of any special assessment levied by the Board shall be due on a date which is not less than 60 days following written notice thereof and may be payable in such installments as the Board may specify.

(a) **Assessment.** Each Member shall be subject to assessment on the basis of its Assessable Share.

(b) **Delinquent Assessments.** Any assessment, including an assessment made pursuant to the provisions of Paragraph 9, which is not paid when due shall be subject to a late charge of 10 percent, or such other late charge as may be established by resolution of the Board, and also shall bear interest from the due date until paid at the rate of 18 percent per annum or at such other rate as may be established by resolution of the Board (up to the maximum rate allowed by law). If any assessment is payable in installments and a Member defaults in the payment of an installment, the remaining installments of such assessment may be accelerated by the Association to maturity by giving the defaulting Member 10 days notice of intent to accelerate unless all delinquent sums are paid within that time.

(c) **Personal Obligation of Member.** Every assessment levied by the Board shall be the personal obligation of the Member against which the assessment is levied. If any such assessment is not paid within 30 days after the same is due, then the Association may bring suit against the Member on this obligation, and there shall be added to the amount of such assessment the aforementioned late charge, interest, and all collection costs including reasonable attorneys' fees incurred by the Association in preparation for and in bringing such action, including reasonable attorneys' fees for appellate proceedings.

(d) **Budget Guarantee.** The Developer has guaranteed the budget of the Association for the period of time for which Developer is in control of the Association board of directors, subject to the further provisions of the guarantee. The details of the guarantee are contained in the budget for the Association. In consideration for the budget guarantee, Developer is excused from payment of assessments related to specific units, lots or parcels owned by Developer.

13. **ASSOCIATION LIEN RIGHTS.** To provide an additional means to enforce the collection of any assessment, the Association shall have a lien against each Class A Member's common property and all improvements thereon. A lien may also be filed against every unit or lot within the defaulting Class A Member's Component Project, with the total of the assessment deficiency being apportioned equally on a pro rata basis to each assessable unit or lot therein.

A lien filed hereunder may be enforced by the Association by foreclosure suit in the same manner as a mortgage or mechanics lien foreclosure or in such other manner as may be permitted by law. In the event the Association files a claim of lien hereunder, the Association shall be entitled to recover from the Member the late charge and interest described in Paragraph 12 and all costs and reasonable attorneys' fees incurred by

the Association in preparing, filing, and foreclosing the claim of lien, including reasonable attorneys' fees for appellate proceedings. All such late charges, interest, costs, and attorneys' fees shall be secured by the lien of the assessment.

**14. RIGHTS OF COMMUNITY DEVELOPER.** Community Developer hereby reserves the right to appoint, remove, and replace from time to time the directors of the Association in accordance with the provisions of the Association's Articles of Incorporation and Bylaws. Community Developer may terminate such right by relinquishing control of the election of the board of directors to the Members at any time. As long as a Component Project Developer has unsold units or lots within the Community, or Community Developer or Declarant hold title to land within the Community not yet designated Community Property, this Declaration shall not be amended nor the provisions of this Declaration terminated without the written consent of Community Developer and Declarant.

At the time of recording this Declaration, construction of all Component Projects has not been completed. Declarant reserves all rights and easements necessary or desirable to complete such construction and to effect the sale or lease of all of the units or lots within Component Projects. As long as Declarant or a Component Project Developer holds unsold lots or units in The Plantation, including the Community, Declarant, Community Developer or their assigns shall have the right to exhibit such signs and sales paraphernalia on the Community Property or any Component Project as may be deemed by it to be desirable to effect such sales and may use the Community Property (including any clubhouse or recreation area or manager's office area to be constructed on Community Property) for offices, models, and other uses appropriate for the promotion of sales and for the development and management of property in The Plantation.

Community Developer reserves the Ownership of all central television antenna signal distribution wires, lines, and equipment that are installed by Community Developer within the boundaries of the Community Property (the "CATV facilities") and the right to convey the CATV facilities to, or authorize the use of the CATV facilities by, such cable television company as Community Developer may deem appropriate. If requested by the Association, the provision of basic cable television services by such company shall be through contract with the Association on behalf of the Members.

Declarant and Community Developer reserve the right to use the name "St. Andrews East" or any similar name in connection with other condominium or subdivision developments in the Community.

**15. EASEMENTS.** The respective rights and obligations of the Members, Owners, the Association, Community Developer, Declarant, Component Project Developers, and others concerning easements affecting the Community shall include the following:

(a) Reserved by Declarant and Community Developer. Declarant and Community Developer hereby reserve for the benefit of themselves, their successors and assigns, and for the benefit of all of the real property in the Community, perpetual easements, and Community Developer is hereby granted, for its benefit and that of its successors and assigns, perpetual easements, in each case for: (1) the installation, construction, repair, maintenance, and replacement of lines, pipes, wells, drains, cables, equipment, apparatus, structures, roads, driveways, and other improvements for private or public utility services of all kinds, including without limitation, water, sewer, drainage, irrigation, fire protection, electricity, telephone, cable television, and trash disposal, over, under, through, and across the Community Property; and (2) ingress and egress by pedestrians, runners, bicycles, golf carts, automobiles, commercial and other vehicles over, under, through, and across the Community Property for the purpose of obtaining access to a Component Project and properties adjacent thereto, together with the right to construct, maintain, and replace such roads, walkways, bike paths, and other improvements as may be reasonably appropriate for the use and enjoyment of such easement. Declarant or Community Developer may assign and convey any of the foregoing easements to such persons or entities as either may deem appropriate for the use of such persons or groups of

persons as may be designated and upon such terms as may be established by Declarant or Community Developer.

(b) Granted to Members and Owners. Each Member and Owner is hereby granted a nonexclusive perpetual easement: (1) over and across Community Property roadways for ingress and egress to and from the Owner's property; and (2) for any encroachments by an Owner's dwelling unit on adjoining property, including Community Property, which may exist now or in the future by virtue of overhangs, foundation slab or footer underground extensions across property lines, inaccuracies in construction or settlement or movement of the dwelling unit, recreational facilities, utility lines or otherwise, which encroachments shall be allowed to remain undisturbed until they no longer exist.

(c) Granted to Utilities. There is hereby granted to all public and private utility companies furnishing utility services to the Community as of the time of recording of this Declaration, or hereafter authorized by Declarant, Community Developer or the Association to furnish such services, a perpetual nonexclusive easement for the construction, installation, maintenance, repair, and replacement of the equipment, structures, and other improvements by which such utility services are respectively provided over, under, across, and through such portion of the Community Property as may be reasonably necessary therefor.

(d) Granted to and by the Association. There is hereby granted to the Association a perpetual nonexclusive easement across and through the common areas of each Component Project for the purpose of maintaining the Community Property. The Association shall have the right to grant easements under, over, across, and through the Community Property to such persons or entities and for such purposes as the Association board of directors may deem appropriate by recording in the Public Records of Sarasota County, Florida, an instrument duly executed by the president or vice president of the Association.

The use of any easement granted under the provisions of this paragraph shall not include the right to disturb any building or structure, and any damage caused to same shall be repaired at the expense of the party causing such damage. In the event a party's use of an easement granted pursuant to the terms hereof causes a disturbance of the surface of the land, then the roadways, grass, landscaping, and other improvements which are disturbed thereby shall be restored promptly by such party as nearly as possible to their prior condition.

16. **MANAGEMENT AGREEMENT.** The Association, acting through its board of directors, is authorized to enter into an agreement with any person or legal entity, including Community Developer or an affiliated company of Community Developer, to act as managing agent to handle the administrative affairs and maintenance obligations of the Association upon such terms and conditions as the board may deem to be in the best interests of the Members. The board of directors shall, however, retain at all times the power to adopt budgets, levy assessments, promulgate rules and regulations, and otherwise determine matters of a nonministerial character.

17. **REMEDIES FOR DEFAULT.** In addition to the remedies provided by statute and common law and the remedies elsewhere provided herein, a default by a Member, Owner, or occupant of any dwelling unit within a Component Project, in complying with the provisions and requirements of this Declaration, the Articles of Incorporation, the Bylaws, and such regulations and rules as may be promulgated by the Board, shall entitle the Association to injunctive relief or money damages or both. In any such legal or equitable action or proceeding in which the Association is the prevailing party, the Association shall be entitled to recover its costs and reasonable attorneys' fees, including reasonable attorneys' fees for appellate proceedings.

18. **DURATION.** The provisions of this Declaration shall run with and bind all of the property in the Community and shall inure to the benefit of and be enforceable by Declarant, the Association,

Community Developer, Component Project Developers, and each Owner, and their respective legal representatives, heirs, successors, and assigns, for a term of 99 years from the date this Declaration is recorded, after which time the provisions of this Declaration shall be automatically extended for successive periods of 10 years each unless prior to the commencement of any such 10-year period: (1) Members holding at least two-thirds of the total votes of the Association Membership approve the termination of the provisions of this Declaration, and (2) a written instrument certifying that such approval has been obtained is signed by the president and secretary of the Association and recorded in the Public Records of Sarasota County.

At each annual meeting of Members thereafter, Directors shall be elected for two-year terms to fill the vacancies of those Directors whose terms are then expiring. In the event additional Directors are elected at an annual meeting to fill new directorships created by expansion of the Board, such Directors shall be elected, in the manner set forth above, for one- or two-year terms as may be appropriate to make even, or as nearly as even as possible, the number of Directors serving one- and two-year terms. Each elected Director shall serve until his respective successor has been duly elected and qualified, or until his earlier resignation, removal, or death.

E. Any elected Director may be removed from office with or without cause by majority vote of the Members, but not otherwise. Any appointed Director may be removed and replaced with or without cause by Community Developer, in Community Developer's sole discretion.

In no event, however, shall any officer or director be indemnified for his own willful misconduct or knowing violation of the provisions of the Florida Condominium Act. The Association may purchase and maintain insurance on behalf of all officers and directors against any liability asserted against them or incurred by them in their capacity as officers and directors or arising out of their status as such.

for  
**HAMPTON MEWS OF ST. ANDREWS EAST ASSOCIATION, INC.**

A corporation not for profit  
existing under the laws  
of the State of Florida

**I. PRINCIPAL OFFICE**

The principal office of the Association shall be located at 722 Shamrock Boulevard, Venice, FL 34293. The address of the principal office may be changed at the discretion of the board of directors.

**II. MEMBERSHIP**

1. **MEMBERS.** All persons owning a vested present interest in the fee title to a condominium unit in HAMPTON MEWS OF ST. ANDREWS EAST AT THE PLANTATION, a condominium, which interest is evidenced by a duly recorded proper instrument in the Public Records of Sarasota County, Florida, shall automatically be members of this Association; their membership shall automatically terminate as their vested interest in the fee title terminates. Such membership may, at the discretion of the board of directors, be evidenced by the issuance of a membership certificate which shall be deemed automatically canceled when the membership it evidences is terminated as provided herein.

2. **VOTING RIGHTS.** Each condominium unit shall be entitled to one vote at Association meetings and shall have such voting rights as are provided in the articles of incorporation and the declaration of condominium applicable to such unit. Any vote may be cast in person or by proxy executed in writing and filed with the secretary. If a condominium unit is owned jointly by more than one person or entity, the vote to which the unit is entitled may be cast by any of the joint owners; provided, however, that if more than one of the joint owners cast the vote to which their unit is entitled, said vote shall be apportioned equally among such of the joint owners as cast the vote.

3. **ANNUAL MEETING.** An annual meeting of the members shall be held each year at such time and place as may be designated by the board of directors for the purpose of electing directors and for the transaction of such other business as may come before the meeting.

4. **SPECIAL MEETINGS.** Special meetings may be called by the president or by the board of directors, or by the written request of at least 10 percent of the voting rights of the members, for any purpose and at any time.

5. **NOTICES.** Notice of any meeting of members shall be posted in a conspicuous place on the condominium property and shall be mailed or delivered by an officer of the Association at least 14 days before such meeting to each member at his address as shown in the Association records. The notice shall be posted in a conspicuous place on the condominium property at least fourteen continuous days preceding the annual meeting, and which notice shall incorporate an identification of agenda items. Members may waive such notice and may act by written agreement without meetings, except in those instances where (i) the Association action to be taken or purpose to be served cannot be accomplished without an actual meeting, or (ii) the waiver would be prohibited by applicable law. An officer of the Association, or the manager or other person providing notice of the meeting of directors or of the members, shall provide an affidavit or United States Postal Service certificate of mailing, to be included

in the official records of the Association affirming that the notice of meeting was mailed or hand delivered, in accordance with this provision, to each unit owner at the address last furnished to the Association.

6. QUORUM. Thirty percent of the voting rights represented in person or by proxy shall constitute a quorum, and if a quorum is not present, a majority of the voting rights present may adjourn the meeting from time to time. A simple majority of all voting rights present in person or otherwise represented shall decide any question brought before the meeting, except when otherwise required by the Florida Condominium Act, the declaration of condominium, the articles of incorporation, or these bylaws.

### **III. BOARD OF DIRECTORS**

1. POWERS. The board of directors shall have all powers necessary to manage the affairs of the Association and to discharge its rights, duties, and responsibilities as provided in the Florida Condominium Act, the declaration of condominium, the articles of incorporation, and these bylaws. The board on behalf of the Association shall have the power to levy fines in accordance with the provisions of Section 718.303(3).

2. NUMBER. The number of directors shall be determined by resolution of the membership from time to time, but in no event shall be less than three directors.

3. QUALIFICATION. Each director shall be a member, or a spouse, parent, or adult child of a member, of the Association or a person exercising the rights of an owner who is not a natural person, except that any director appointed by the Developer need not be a member of the Association. All directors shall act without compensation unless otherwise provided by resolution of the membership of the Association.

4. ELECTION AND TERM. Except as hereinafter provided, the term of each director shall expire upon the election of his successor at the next succeeding annual meeting of members. Commencing with the first annual meeting of members at which unit owners other than the Developer elect a majority of the board of directors, a majority of the directors receiving the highest number of votes shall serve two-year terms, and the other elected directors shall serve one-year terms. At each annual meeting of members thereafter, directors shall be elected for two-year terms to fill the vacancies of those directors whose terms are then expiring. All directors shall serve until their respective successors shall have been duly elected and qualified, or until their earlier resignation or removal. Provided, a unit owner elected at an election other than an annual meeting (for example, at an election as discussed in Article XII.A of the Articles, when unit owners other than Developer acquire over 15% of the units) shall serve until the second annual meeting following that election. Board member elections shall be conducted pursuant to Section 718.112(2)(d)2 and Rule 61B-23.0021, FAC.

5. REGULAR MEETINGS. An annual meeting of the board of directors shall be held immediately after, and at the same place as, the annual meeting of the membership. Additional regular meetings may be held as provided by resolution of the board.

6. SPECIAL MEETINGS. Special meetings of the board may be called by the president or a majority of the directors for any purpose and at any time or place.

7. NOTICES. Notice of any meeting of the board, except an emergency meeting, shall be mailed or delivered to each director at his address shown in the Association records at least five days before such meeting, unless notice is waived by such director. Notices of special meetings shall state the purpose thereof. Notice of any meeting of the board, except an emergency meeting, shall be posted

conspicuously on the condominium property at least 48 continuous hours in advance of the meeting. Any item not included on the notice may be taken up on an emergency basis by at least a majority plus one of the members of the Board. Such emergency action shall be noticed and ratified at the next regular meeting of the Board. All meetings of the board shall be open to the members. However, written notice of any meeting at which non-emergency special assessments, or at which amendments to rules regarding unit use, will be considered, shall be mailed or delivered to unit owners and posted conspicuously on the condominium property at least fourteen (14) days prior to the meeting. Upon notice to unit owners, the board shall designate a specific location on the condominium property or association property upon which notices of board meetings and unit owners meetings can be posted.

8. **QUORUM.** A majority of directors shall constitute a quorum. If a quorum is not present, a majority of those present may adjourn the meeting from time to time. The vote of a majority of directors present shall decide any matter before the board, except as may be otherwise required by the articles of incorporation, these bylaws, or the declaration of condominium.

9. **REMOVAL.** Any director appointed by the Developer may be removed by the Developer at any time by giving written notice to the board of directors, and the vacancy created by such removal shall be filled by appointment by the Developer. The removal of any director elected by the members shall be subject to the provisions of Section 718.112(2)(j).

#### **IV. OFFICERS**

1. **NUMBER.** The officers shall be a president, a vice president, a secretary, and a treasurer, each of whom shall be elected by the board of directors. Such assistant officers as may be deemed necessary may be elected by the board of directors. The officers need not be members of the Association. All officers shall act without compensation unless otherwise provided by resolution of the membership.

2. **ELECTION AND TERM.** Each officer shall be elected annually by the board of directors at the first meeting of directors following the annual meeting of members and shall hold office until his successor shall have been elected and duly qualified, or until his earlier resignation or removal.

3. **PRESIDENT.** The president shall be the principal executive officer of the Association and shall supervise all of the affairs of the Association. He shall preside at all meetings of members and directors. He shall sign all agreements and recordable instruments on behalf of the Association, unless otherwise provided by resolution of the board of directors.

4. **VICE PRESIDENT.** In the absence of the president, the vice president shall perform the duties of the president, and when so acting, shall have all the powers and responsibilities of the president. The vice president shall also perform such duties as may be designated by the board of directors.

5. **SECRETARY.** The secretary may attest to any agreement or recordable instrument on behalf of the Association, but such attestation shall not be required. The secretary shall record the minutes of meetings of members and directors. The secretary shall have the primary responsibility, but not the exclusive right, to give notices required by these bylaws. He shall have custody of and maintain the records of the Association, other than those maintained by the treasurer. The board of directors may elect an assistant secretary, who shall perform the duties of the secretary when the secretary is absent.

6. **TREASURER.** The treasurer shall have custody of all funds of the Association, shall deposit the same in such depositories as may be selected by the board of directors, shall disburse the same, and shall maintain the Association's financial records, which shall be available for inspection by

any member during business hours on any weekday. At the discretion of the board of directors, the functions of the treasurer may be delegated to and performed by a managing agent or financial institution located in Sarasota County.

7. FIDELITY BONDS. All officers, directors and other persons who control or disburse funds of the Association shall be bonded by a surety company selected by the board in an amount determined by the board to be sufficient to insure the proper handling of all cash funds and other corporate assets (but not less than required by Chapter 718 Florida Statutes). The cost of such bond shall be paid by the Association.

8. REMOVAL. Any officer may be removed by a majority vote of the board of directors present at any meeting of the board, and the vacancy thereby created shall be filled by an election by the board of directors.

#### **V. MANAGER AND EMPLOYEES**

The board of directors may employ the services of a manager and other employees and agents as they shall determine appropriate to manage, operate, and care for the condominium property, with such powers and duties and at such compensation as the board may deem appropriate and provide by resolution from time to time. Such manager, employees, and agents shall serve at the pleasure of the board.

#### **VI. CONTRACTS AND FINANCES**

1. CONTRACTS. In addition to the authority granted herein to the president and vice president, the board of directors may authorize any officer or agent to execute and deliver any contract or other instrument on behalf of the Association.

2. LOANS. No loans shall be contracted on behalf of the Association and no evidences of indebtedness shall be issued in its name unless authorized by a resolution of the board of directors. The board may authorize a lien to be placed upon any property owned by the Association and the pledge and assignment of proceeds of any regular or special assessment of the Association as security for the repayment of any loan.

3. CHECKS AND NOTES. All checks, drafts, and other orders for payment of money issued in the name of the Association shall be signed by the treasurer or such officers or agents of the Association as shall from time to time be authorized by resolution of the board of directors. All promissory notes or other evidences of indebtedness of the Association shall be signed by the president or vice president.

4. DEPOSITS. All funds of the Association shall be deposited to the credit of the Association in such banks, savings and loan associations, or other depositories as the board of directors may select from time to time.

5. FISCAL YEAR. Unless otherwise established by resolution of the board of directors, the fiscal year of the Association shall be a calendar year.

## **VII. VACANCIES**

When there is a vacancy on the board of directors occurring at a time when both the developer and the unit owners other than the developer are entitled to representation on that board, then the vacancy shall be filled as follows:

(a) Directors elected or appointed by unit owners other than a developer shall be subject to recall only by unit owners other than a developer. Voting interests owned or controlled by a developer shall not vote in such recall. For purposes of establishing a quorum, only units owned by unit owners other than a developer shall be counted.

(b) Directors elected or appointed by developer shall be subject to recall by only that developer. Voting interests owned or controlled by unit owners other than that developer shall not vote in such recall. For purposes of establishing a quorum, only units owned by that developer shall be counted.

(c) Subject to the entitlement to representation provisions of Section 718.301, Florida Statutes, only the developer may vote to fill a vacancy on the board previously occupied by a board member elected or appointed by that developer, in which case a quorum for that purpose shall consist of a majority of units owned by the developer. Only unit owners other than a developer may vote to fill a vacancy on the board previously occupied by a board member elected or appointed by unit owners other than the developer, in which case a quorum for purposes of that vote shall consist of a majority of unit owners other than the developer.

## **VIII. AMENDMENTS TO BYLAWS**

These bylaws may be altered or repealed by new bylaws adopted by majority vote of the voting rights at the annual meeting or at any special meeting of the members. No modification of or amendment to the bylaws shall be valid unless set forth in or attached to a duly recorded amendment to the declaration of condominium.

## **IX. REGULATIONS**

The board of directors may from time to time adopt such uniform administrative rules and regulations governing and restricting the use and maintenance of the condominium units and common elements and other property owned or operated by the Association as may be deemed necessary and appropriate to prevent unreasonable interference with the use thereof and to assure the enjoyment thereof by the unit owners. Such rules and regulations shall not be inconsistent with the Florida Condominium Act, the declaration of condominium, the articles of incorporation, or these bylaws. A copy of such rules and regulations shall be available at the office of the condominium and shall be distributed to each unit owner, although the failure to furnish a copy thereof in any instance shall not affect the enforceability of any such rule or regulation.

## **X. SEAL**

The board of directors shall provide a corporate seal, circular in form, showing the corporate name, the year and state of incorporation, and the words "corporation not for profit."

## **XI. COLLECTION OF ASSESSMENTS**

Assessments for the payment of common expenses shall be levied annually by the board of directors in the manner provided in the declaration of condominium. Assessments shall be payable in advance to the Association on the first day of the first, fourth, seventh and tenth months of each fiscal year. The board of directors is authorized to establish and levy non-equal quarterly installments of the annual assessment if necessary or desirable in the opinion of the board to accommodate or facilitate Association payment and billing requirements. This could apply to matters involving annual payment items, including but not limited to insurance, which requires that an annual bill be paid in advance. Special assessments may be levied by the board of directors in the manner provided in the declaration of condominium or the Florida Condominium Act.

## **XII. ARBITRATION**

In the event of a dispute (as defined in Section 718.1255) arising from the operation of the condominium among units owners, the Association, and their agents or assigns, prior to the institution of court litigation, the parties to the dispute shall petition the Division of Florida Land Sales, Condominiums and Mobile Homes for non-binding arbitration.

## **XIII. THE FLORIDA CONDOMINIUM ACT**

In the event of a conflict between the provisions of these bylaws and the Florida Condominium Act, Chapter 718, Florida Statutes, or in the event the Florida Condominium Act sets forth mandatory bylaws provisions that are not expressly contained herein, the terms and provisions of the Florida Condominium Act shall control and, to that extent, are incorporated by reference herein.
