(i) The right of WMOA to otherwise deal with the Common Area as provided herein and in its Articles and Bylaws.

Section 2. Access to Recreational Facilities. Notwithstanding Section 1 above, the Owners and occupants of Tract "G" shall not have access to or use of the pool, clubhouse, tennis courts or any other recreational facilities (if any) hereafter provided within the Common Area, by virtue of such ownership; this provision shall not preclude use of the recreational facilities if the Owner of Tract "G" is entitled to such use by virtue of owning a Lot, Dwelling or Parcel other than Tract "G." Notwithstanding anything else in this Section 2, the Owners and occupants of Tract "G" shall be entitled to use parking areas within the Common Areas.

Section 3. Delegation of Use. The Common Area shall be for the use and benefit of the Owners and authorized residents of the Property, collectively, for any proper purpose. Any Owner may delegate, in accordance with the Bylaws, his right to enjoyment of the Common Area to his tenants or contract purchasers who reside on the Property, but shall not thereafter be permitted to use the Common Area for so long as such right to enjoyment is delegated. The Common Area shall be used by each Owner or authorized resident of a Dwelling in such a manner as shall not abridge the equal rights of other Owners and residents to the use and enjoyment thereof. Each Owner shall be liable to WMOA for any and all damage to the Common Area and any personal property or improvements located thereon, caused by such Owner, his family, invitees, lessees, or contract purchasers, and the cost of repairing same, together with interest at the maximum contract rate permitted by law from five (5) days after the date of demand for payment, shall be a lien against such Owner's Dwelling, Lot or Parcel, as provided in Article VI, Section 9.

WMOA shall have the right hereafter to convey such additional easements encumbering the Common Area as may be deemed necessary or desirable on an exclusive or nonexclusive basis to any person, corporation or governmental entity. Further, an easement is hereby reserved in favor of all providers of utilities for the Property, including without limitation Florida Power and Light Company, over all portions of the Property, for electrical apparatus, CATV facilities, or other apparatus for any utilities, now or hereafter installed to serve any portion of the Property, provided, however, no such apparatus or facilities shall be installed without the approval of the ACC, or installed within a Lot, Dwelling or Parcel so as to unreasonably interfere with the use thereof by the Owner, nor shall such facilities hinder WMOA in the exercise of its rights hereunder. The easement rights reserved pursuant to this paragraph shall not impose any obligation on WMOA to maintain any easement areas or install or maintain the utilities or improvements that may be located in, on or under such easements, or which may be served by them.

Within such easement areas no structure, planting, or other material shall be placed or permitted to remain which may damage or materially interfere with access to, or the installation and maintenance of, the easement areas or any utilities or drainage facilities, or which may change the direction or obstruct or retard the flow of water through drainage channels in such easement areas, or which may reduce the size of any water retention areas constructed in such easement areas. The Owner of any Lot, Dwelling or Parcel subject to an easement described

herein shall acquire no right, title or interest in or to any poles, wires, cables, conduits, pipes or other equipment or facilities placed on, in, over or under the portion of the Property which is subject to such easement. Subject to the terms of this Declaration regarding maintenance of the Common Area, the easement areas of each Lot, Dwelling or Parcel and all aboveground improvements in such easement areas shall be maintained continuously by and at the expense of the Owner of the Lot, Dwelling or Parcel, except for those improvements for which a public authority or utility company is responsible if the land is owned by a homeowners association, the maintenance obligation shall be that of WMOA for or such record for drainage, WMOA shall have the right, but without obligation, to alter the drainage facilities therein, including slope control areas, provided such alteration shall not materially adversely affect any Lot, Dwelling or Parcel unless the Owner thereof shall consent to such alteration.

Section 7. WMOA Easement. In addition for the aforementioned easements, WMOA reserves for itself, the ACC, and their grantees, successors, legal representatives and assigns, an easement for ingress and egress to, over and across the Common Area and each Lot, Dwelling or Parcel, and the right to enter upon the Common Area and each Lot, Dwelling or Parcel, for the purpose of exercising their respective rights and obligations under this Declaration, including without limitation inspection and maintenance of the Common Area and any Dwellings, as permitted hereunder. Entry into any Dwelling, absent emergency conditions, shall not be made without the consent of the Owner or occupant thereof for any purpose, except pursuant to a valid order of court. An Owner shall not arbitrarily withhold consent to such entry for the purpose of discharging any duty or exercising any right granted by this Article, provided such entry is upon reasonable notice, at a reasonable time, and in a peaceful and reasonable manner.

Section 8. Easement to Retrieve Golf Balls. An easement is hereby granted over the lawn and yard area of each Lot, and any commonly owned areas or other development and any portion of the Common Area, which is adjacent to the golf course on Tract "G", in favor of all golf club members, guests and invitees playing golf ("Golfers") for the sole purpose of retrieving errant golf balls. Entry upon the Lot or other area shall be solely on foot and not by golf cart. This easement shall not permit entry into any residence, garage or enclosed patio or pool area. This easement shall not exempt any Golfer from responsibility for damage caused by an errant golf ball nor damage caused in the retrieval of same.

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS

Section 1. Membership. Every owner of a Lot, Dwelling or Parcel, which is subject to assessment, shall be a member of WMOA, subject to and bound by the Articles, Bylaws, rules and regulations, and this Declaration. If title to a Lot, Dwelling or Parcel is held in the name of only one spouse, or in a Trust controlled by such spouse, the other spouse shall be considered to be also a Member of WMOA for purposes of voting. The foregoing does not include persons or entities who hold a leasehold interest or interest merely as security for the performance of an obligation.

Ownership, as defined above, shall be the sole qualification for membership. When any Lot, Dwelling or Parcel is owned of record by two or more persons or other legal entities, all such persons or entities shall be members, but there shall be only one (1) voting member, as described in Section 2 below. An Owner of more than one Lot, Dwelling or Parcel shall be entitled to one membership for each Lot, Dwelling or Parcel owned by him. Membership shall be appurtenant to and may not be separated from ownership of any Lot, Dwelling or Parcel which is subject to assessment, and it shall be automatically transferred by conveyance of that Lot, Dwelling or Parcel.

Section 2. Voting Rights. All votes shall be cast in the manner provided in the Bylaws. When more than one person or entity holds an interest in any Lot, Dwelling or Parcel, the votes for such Lot, Dwelling or Parcel shall be exercised as such persons determine, but in no event shall more than the number of votes hereinafter designated be cast with respect to any such Lot, Dwelling or Parcel, nor shall any split vote be permitted with respect to such Lot, Dwelling or Parcel. Instead, multiple Owners of a Lot, Dwelling or Parcel shall designate from time to time one (1) person to be the voting member of WMOA entitled to cast all votes allocated to such Lot, Dwelling or Parcel. A certificate designating such voting member signed by all Owners of the Lot, Dwelling or Parcel in question shall be filed with WMOA, and if no such certificate is filed, no votes shall be cast or counted with respect to such Lot, Dwelling or Parcel until such a certificate has been filed. Such certificate may be revoked or superseded by a later certificate, signed by all Owners of the Lot, Dwelling or Parcel, designating a new voting member for such Lot, Dwelling or Parcel.

- (i) Tract "G". The Owners of Tract "G" shall be entitled to thirty (30) votes.

ARTICLE V

RIGHTS AND OBLIGATIONS OF WMOA

Section 1. Responsibilities. WMOA, subject to the rights of the Owners set forth in this Declaration, shall be responsible for the exclusive management and control of the Common Area, and shall keep the same in good, clean and proper condition order and repair. WMOA shall also maintain and care for the land designated in Article II hereof, in the manner therein required. WMOA shall be responsible for the payment of all costs, charges and expenses incurred in connection with the operation, administration, maintenance and management of the Common Area, and performance of its other obligations hereunder.

Section 2. Services. WMOA may obtain and pay for the services of any person or entity to manage its affairs, or any part thereof, to the extent it deems advisable, as well as such other personnel as WMOA shall determine to be necessary or desirable for the proper discharge of its duties as described in this Declaration, whether such personnel are furnished or employed directly by WMOA or by any person or entity with whom or which it contracts. Without limiting the generality of the foregoing, WMOA may obtain and pay for legal and accounting services necessary or desirable in connection with its operations or the enforcement of this Declaration, and may employ security personnel for the Property. WMOA may arrange with others to furnish common services to each Lot, Dwelling or Parcel.

Section 3. Manager. WMOA may obtain, employ and pay for the services of an entity or person, hereinafter called the “Manager”, to assist in managing its affairs and carrying out its responsibilities hereunder to the extent it deems advisable, as well as such other personnel as WMOA shall determine to be necessary or desirable, whether such personnel are furnished or employed directly by WMOA or by the Manager. Any management agreement must be terminable for cause upon thirty (30) days’ notice, be for a term not to exceed three (3) years, and be renewable only upon mutual consent of the parties.

Section 4. Personal Property for Common Use; Improvements to Common Area. WMOA may acquire and hold tangible and intangible personal property and may dispose of the same by sale or otherwise, subject to such restrictions, if any, as may from time to time be provided in WMOA’s Articles or Bylaws. Improvements to the Common Area may be made from time to time by WMOA, through its Board of Directors, provided that any special assessments required to pay for same in excess of One Thousand Dollars (\$1,000.00) total shall be approved as provided in Article VI, Section 4.

Section 5. Insurance. WMOA at all times shall provide and maintain adequate policies of public liability and other insurance, as it deems advisable or necessary. WMOA may, if the Board of Directors elects cause all persons responsible for collecting and disbursing association moneys to be insured or bonded with adequate fidelity insurance.

Section 6. Implied Rights. WMOA may exercise any right or privilege given to it expressly by this Declaration, its Articles or Bylaws, or by law, every other right or privilege reasonably implied from the existence of any right or privilege granted herein or therein, or reasonably necessary to effectuate the exercise of any rights or privileges granted herein or therein.

ARTICLE VI

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation for Assessments. WMOA, for each Lot, Dwelling and Parcel within the Property, hereby covenants, and each Owner of any Lot, Dwelling or Parcel by acceptance of a deed or other conveyance thereto, whether or not it shall be so expressed in such deed or conveyance, is deemed to covenant and agrees to pay to WMOA: (1) annual assessments or charges; and (2) special assessments or charges against a particular Lot, Dwelling or Parcel as may be provided by the terms of this Declaration. Such assessments and charges, together with interest, costs and reasonable attorney’s fees, shall be a charge on the land and shall be a lien upon the property against which such assessment is made. Each such assessment or charge, together with interest, costs, and reasonable attorney’s fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to an Owner’s successors in title unless expressly assumed by them, provided, however, that the lien therefore shall remain valid and in full force and effect.

Section 2. Purpose of Assessments. The assessments levied by WMOA shall be used to promote the recreation, health, safety and welfare of the residents of the Property, and for the improvement and maintenance of the Common Area and the carrying out of the other responsibilities and obligations of WMOA under this Declaration, the Articles and the Bylaws. Without limiting the generality of the foregoing, such funds may be used for the acquisition, improvement and maintenance of the Common Area, services and facilities related to the use and enjoyment of the Common Area, including the costs of repair, replacement and additions thereto; the cost of labor, equipment, materials, management and supervision thereof; the payment of taxes and assessments made or levied against the Common Area (if any); the procurement and maintenance of bonds and insurance; the employment of attorneys, accountants and other professionals to represent WMOA when necessary or useful; the maintenance, landscaping and beautification of the Common Area and such public lands as may be designated by this Declaration or WMOA; the maintenance, repair and replacement of Boundary Walls required or permitted to be maintained by WMOA; the employment of security personnel to provide services which are not readily available from any governmental authority; the maintenance of reasonable reserves; and such other needs as may arise.

Section 3. Maximum Annual Assessment.

(a) The maximum annual assessment for each Lot, Dwelling and Parcel may be increased each year to reflect the greater of (i) the increase, if any, in the Consumer Price Index for All Urban Consumers, All Items, published by the Bureau of Labor Statistics, U.S. Department of Labor for the area including or nearest to Tampa, Florida (“CPI Increase”) or (ii) an increase equal to fifteen percent (15%) of the prior year’s annual assessment. The CPI Increase shall be determined by multiplying the maximum annual assessment then in effect by the Consumer Price Index for the most recent month for which figures are available and dividing the product by the Consumer Price Index for the same month of the preceding calendar year. If publication of the Consumer Price Index should be discontinued, WMOA shall use the most nearly comparable index, as determined and selected by the Board of Directors.

(b) The maximum annual assessment may be increased above the increase permitted by Section 3 (a) above, by a majority vote of members who are voting in person or by proxy, at a meeting duly called for this purpose.

(c) The Board of Directors may fix the annual assessment for Lots, Dwellings or Parcels at an amount not in excess of the maximum annual assessment rate established therefore in the preceding subsections and in Section 6 of this Article.

Section 4. Special Assessments for Capital Improvement. In addition to the annual assessments authorized above, WMOA may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement, including fixtures and personal property related thereto, provided that any such assessment in excess of One Thousand Dollars (\$1,000.00) total shall be approved by a majority of the votes of members who are voting in person or by proxy at a meeting duly called for this purpose. If an assessment is

proposed to finance an improvement, repair or replacement of or any additions to the recreational facilities described in Section 2 of Article III as to which the Owners of Tract "G" have no voting rights, said Owners shall not be obligated to pay any portion of such an assessment by virtue of their ownership of Tract "G".

Section 5. Notice of Meeting and Quorum for Any Action Authorized Under Sections 3 and 4. Written notice of any members meeting called for the purpose of taking any action authorized under Sections 3 and 4 of this Article shall be sent to all members entitled to vote at such meeting not less than ten (10) days or more than twenty (20) days in advance of the meeting. At such meeting, the presence of members or of proxies entitled to cast a majority of all the votes of membership entitled to be cast on the issue shall constitute a quorum. If the required quorum is not present, another meeting may be called without any additional formal notice requirement, and the required quorum at the subsequent meeting shall be the presence of members or of proxies entitled to cast thirty-three percent (33%) of all the votes entitled to be cast on the issue. If the required quorum is again not present, another meeting may be called upon at least ten (10) days' written notice, at which meeting there shall be no quorum requirement and those present in person or by proxy shall be entitled to decide the issue. This provision is included to insure the ability of WMOA to act despite non-participation by its members, and shall not be subject to attack on due process or other grounds. No such subsequent meeting (s) shall be held more than sixty (60) days following the preceding meeting (s).

Section 6. Assessment Rate. Subject to the maximums set forth in Section 3 of this Article, annual assessments for Lots, Dwellings and Parcels shall be determined by the Board of Directors prior to January 1 of each year by first determining the sum to be assessed:

(a) Tract "G". Tract "G" shall be assessed as if it were thirty (30) Lots.

Section 7. Exemption from Assessments. The assessments, charges and liens provided for or created by this Article VI shall not apply to the Common Area, any property dedicated to and accepted for maintenance by a public or governmental authority or agency, or any property owned by a public or private utility company or public or governmental body or agency.

Section 8. Date of Commencement of Annual Assessments; Due Dates. The Board of Directors shall fix the amount of the annual assessment against each Lot, Dwelling or Parcel in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. Unless otherwise established by the Board of Directors, annual assessments shall be collected on an annual basis. The due date for special assessments shall be as established by the Board of Directors. WMOA shall upon demand, and for a reasonable charge, furnish a certificate signed by an officer of WMOA setting forth whether the assessments on a specified Lot, Dwelling or Parcel have been paid. A properly executed certificate of WMOA as to the status of assessments on a Lot, Dwelling or Parcel shall be binding upon WMOA as of the date of its issuance.

Annual assessments are due on or before January 1 of each calendar year. Annual assessments received after January 10 but before January 31 of each calendar year shall be subject to a late payment fee in addition to the assessment. This fee will be set annually by the

Board of Directors. Annual assessments not paid and received on or before January 31 of each calendar year shall be considered in default and shall be subject to any and all collection expenses including but not limited to attorney's fees, court costs and collection expenses.

Section 9. Lien for Assessments: Remedies of WMOA. All sums assessed to any Lot, Dwelling or Parcel pursuant to this Declaration, together with interest and all costs and expenses of collection, including reasonable attorney's fees whether or not suit is filed, shall be secured by a continuing lien on such Lot, Dwelling or Parcel in favor of WMOA or any other party in whose favor the lien is granted under this Declaration. WMOA or other party in whose favor the lien is granted may bring an action at law against the Owner personally obligated to pay the same, and/or foreclose the lien against the Lot, Dwelling or Parcel. No Owner may waive or otherwise escape liability for the assessments or other charges provided for herein by non-use of the Common Area, or abandonment of his Lot, Dwelling or Parcel.

Section 10. Interest on Assessments. Any assessment not paid within ten (10) days after the due date shall bear interest from the due date at the maximum contract rate of interest permitted by law.

Section 11. Foreclosure. The lien for sums assessed or any sums due by Owner, pursuant to this Declaration may be enforced by judicial foreclosure by WMOA or other party in whose favor the lien is granted in the same manner in which mortgages on real property may be foreclosed in Florida. In any such foreclosure, the Owner shall be required to pay all costs and expenses of collection and foreclosure, including reasonable attorney's fees whether or not suit is filed. All such costs and expenses shall be secured by the lien being foreclosed. The Owner shall also be required to pay any assessments against the Lot, Dwelling or Parcel, which shall become due during the period of foreclosure, and the same shall be secured by the lien foreclosed and accounted for as of the date the Owner's title is divested by foreclosure. WMOA or other party in whose favor the lien is granted shall have the right and power to bid at the foreclosure or other legal sale to acquire the Lot, Dwelling or Parcel foreclosed, and thereafter to hold, convey, lease, rent, encumber, use and otherwise deal with the same as the owner thereof.

Section 12. Homestead. By acceptance of a deed thereto, the Owner and spouse thereof, if married, of each Lot, Dwelling or Parcel shall be deemed to have waived any exemption from liens created by this Declaration or the enforcement thereof by foreclosure or otherwise, which may otherwise have been available by reason of the homestead exemption provisions of Florida law, if for any reason such are applicable. This Section is not intended to limit or restrict in any way the lien or rights granted to WMOA by this Declaration, but to be construed in its favor.

Section 13. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage recorded prior to the recording of a claim of lien against the portion of the Property encumbered by such mortgage, subject to the exception referenced below. The sale or transfer of any Lot, Dwelling or Parcel pursuant to foreclosure of a first mortgage or any proceeding in lieu thereof shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer, subject to the exception referenced below. No sale or transfer shall relieve such Lot, Dwelling or Parcel from liability for any assessments thereafter becoming due or from the lien thereof.

WMOA shall, upon written request, report to any first mortgagee of a Lot, Dwelling or Parcel any assessments remaining unpaid for a period longer than thirty (30) days after the same shall have become due, and shall give such first mortgagee a period of thirty (30) days in which to cure such delinquency before instituting foreclosure proceedings against the Lot, Dwelling or Parcel; provided, however, that such first mortgagee first shall have furnished to WMOA written notice of the existence of its mortgage, which notice shall designate the Lot, Dwelling or Parcel encumbered by a proper legal description and shall state the address to which notices pursuant to this Section are to be given. The liability of a first mortgage who acquires title to a Lot, Dwelling or Parcel by foreclosure or by Deed-In-Lieu of foreclosure for unpaid assessments, and other charges that became due prior to the first mortgagee's acquisition of title is limited to the maximum permitted by Florida Statutes, Section 720.3085, as same is amended or renumbered from time to time, but if no such limitation exists, then to the same extent as any other Owner. The limitation on the first mortgagee liability provided by this paragraph shall apply only if the first mortgagee strictly complies with all conditions required by Florida Statutes, Section 720.3085, as same is amended or renumbered from time to time, WMOA's lien for assessments and other charges is superior to and has priority over all mortgages, liens and encumbrances as provided above.

Section 14. Special Assessment for Maintenance Obligations of Owners and Others.

In the event an Owner or other entity obligated to maintain, replace or repair a Boundary Wall or a private road or drive, or portion thereof, pursuant to Article II, Section 3, shall fail to do so, WMOA, upon ten (10) days' prior written notice sent certified or registered mail, return receipt requested, or hand delivered, may have such work performed, and the cost thereof shall be specially assessed against the portion of the Property owned or maintained by the defaulting Owner or other entity, which assessment, together with interest at the maximum contract rate permitted by law from (5) days after the date of demand for payment, shall be secured by the lien against such portion of the Property as set forth in Article VI, Section 9.

Section 15. Utilities, Equipment and Fixtures. All fixtures and equipment installed within a Lot or Dwelling and all fixtures and equipment serving only one Dwelling, including without limitation, utility lines, pipes, wires, conduits and the like, shall be maintained and kept in good repair by the Owner of the Lot or the Dwelling served by such equipment and fixtures. In the event any such equipment and fixtures are installed to serve more than one Lot or Dwelling but are not part of the general distribution system serving a large number of Lots or Dwellings, the expense of maintaining and repairing same shall be shared equally by the Owners of the Lots or Dwellings served by same. Notwithstanding the foregoing, in the event any such equipment or fixtures are damaged as a result of the actions of any person or entity other than the Owner or Owners responsible for repairing same, the person causing the damage shall be liable for expenses incurred by the Owner or Owners in repairing same. In the event a blockage or obstruction occurs in a sewer line serving more than one Lot or Dwelling, the cost of clearing such blockage shall be assessed against the Owner deemed responsible by the Board of Directors, and if it cannot be determined which Owner was responsible, the cost shall be borne equally by all Owners of Lots or Dwellings served by the portion of the sewer line in which the blockage occurred and shall be assessed against all such Owners. No Owner shall do or allow any act, or allow any condition to exist, that will impair the structural soundness or integrity of

any Dwelling or impair any easement established or referenced herein, or do any act or allow any condition to exist which will or may adversely affect any Dwelling or any Owner or resident of the Property or create a hazard to persons or property. Any cost assessed against an Owner pursuant to this Section 15, together with interest at the maximum contract rate permitted by law from five (5) days after the date of demand for payment, shall be a lien upon such Owner's Dwelling pursuant to Article VI, Section 9.

ARTICLE VII

ARCHITECTURAL CONTROL

Section 1. Architectural Control. No Dwelling, building, wall, fence, pavement, swimming pool or other structure or improvement of any nature shall be erected, placed or altered on or removed from any portion of the Property until the construction plans and specifications, plot plan, tree surveyor map showing all existing trees and those trees intended to be removed, and landscaping, drainage and irrigation plans (collectively "Plans") showing the location of all structures and improvements shall have been approved in writing by the Architectural Control Committee. The ACC shall issue a permit evidencing its approval of Plans, which permit shall be posted for inspection by the Owner or the Owner's agent at the site of the improvements to which the permit relates in the same manner as a building permit. Each structure or improvement of any nature shall be erected, placed, altered or removed only in accordance with the Plans so approved. Refusal of approval of Plans may be based on any grounds, including purely aesthetic grounds, which in the reasonable discretion of the ACC seem sufficient. The ACC may condition its approval on such matters as it may deem appropriate, such as (but not limited to) replacement of trees removed with trees of a certain size or type. Without limiting the foregoing, any change in the exterior appearance of any Dwelling, building, wall, fence, pavement, swimming pool, other structure or improvement, any material change in landscaping, and any change in the finished ground elevation, shall be a change requiring approval under this Section 1 of Article VII. A review fee of \$100 payable to WMOA shall be submitted to the ACC with all Plans relating to changes in construction of any Dwelling; the ACC may, in its sole discretion, collect a fee payable to WMOA in an amount to be determined by the ACC (not to exceed \$100), for review of all other Plans. In the event the ACC shall fail to approve or disapprove any Plans within thirty (30) days of submission, evidenced by a written acknowledgment of receipt, approval of Plans shall be deemed given.

Section 2. Powers and Composition of ACC. The ACC shall have the power to promulgate such rules and regulations, as it deems necessary to carry out the provisions and intent of this Declaration. The ACC shall be composed of not less than three (3) members of WMOA appointed by the Board of Directors. The Board of Directors shall have the absolute power to remove any member from the ACC. In the absence of specific appointment, the Board of Directors shall serve as the ACC. A majority of the ACC may take any action the ACC is empowered to take, and may designate a representative or agent to act for the ACC. In the event of death, removal or resignation of any member of the ACC, the remaining members shall have full authority to designate a temporary successor until the Board of Directors appoints a permanent successor. Neither the members of the ACC, nor its designated representative shall be

entitled to any compensation for services performed pursuant to this covenant unless the Board of Directors shall elect to give compensation out of fees received for review of Plans.

Section 3. Liability of ACC. The ACC and each of its members from time to time shall not be liable in damages to anyone submitting any Plans for approval or to any Owner by reason of mistake in judgment, negligence or nonfeasance of the ACC, its members, agents or employees, arising out of or in connection with the approval or disapproval or failure to approve any Plans. The ACC shall not be responsible for the compliance of any Plans with applicable governmental rules and regulations. Anyone submitting any Plans to the ACC for approval, by the submitting of such Plans, and any Owner by acquiring title to any Lot, Dwelling or Parcel, agrees that such person shall not bring any action or claim for any such damages against the ACC, its members, agents or employees.

Section 4. Fines.

4.1 WMOA may levy reasonable fines against an Owner for failure of the Owner to comply with any provision of the Master Declaration of Covenants, Conditions, and Restrictions, Deed Restriction or the reasonable rules of WMOA. No fine shall exceed \$100.00 per violation. However, a fine may be levied on the basis of each day of a continuing violation, with the single notice and opportunity for a hearing provided no such fine shall exceed \$1,000.00. A fine shall not be levied except after giving reasonable notice and the opportunity for a hearing to the Owner.

4.2 The Board of Directors shall schedule a hearing for the Owner against whom the fine is sought to be levied. The hearing shall be scheduled with reasonable notice of not less than 14 days. The Notice shall include:

(1) A short and plain statement of the matters asserted by WMOA, which are a violation.

(2) A statement of the provisions of the Master Declarations of Covenants, Conditions and Restrictions, Deed Restrictions or lawfully adopted rules and regulations which have been allegedly violated; and

(3) A statement of the date, time and place of the hearing.

4.3 The Board of Directors shall appoint a Review Board consisting of three (3) members, who are not officers, directors, or employees of WMOA and are not related to the alleged offending Owner, any member of the Board, any employee of WMOA, or any member of the ACC, to hear the appeal.

4.4 The authority granted by this provision shall have no bearing on the Board's authority to impose late building fines as specified elsewhere in WMOA documents.

ARTICLE VIII

GENERAL USE RESTRICTIONS

Section 1. Restrictions. Any structure of any kind erected or placed within the Property must be in compliance with all applicable zoning regulations and this Declaration.

Section 2. Construction. All construction commenced at any place within the Property shall be completed within twelve (12) months of commencement, regardless of the type or size of building or project under construction. This deadline may only be waived by the written agreement of the ACC.

Section 3. Height Limitation. No single-family structure may exceed two stories and no multifamily structure may exceed four stories, including parking levels. No structure erected on the Common Area shall exceed two stories.

Section 4. Area Restrictions. The combined area of all structures on a single Lot or Parcel, including roofed porches, garages, and other buildings, but not including unroofed patios, lanais or terraces, may not exceed seventy percent (70%) of the total Lot or Parcel area.

Section 5. Commercial Uses and Nuisances. No trade, business, profession, service, repair or maintenance operation or other type of commercial activity shall be carried on upon any portion of the Property other than Tract "G", except that real estate brokers, Owners and their agents may show Dwellings within the Property for sale or lease. No illegal, noxious or offensive activity shall be permitted or carried on upon any part of the Property, nor shall anything be permitted or done thereon which is or may become a nuisance or source of embarrassment, discomfort or annoyance to the other residents of the Property. No Owner shall make use of the Common Area that will increase the cost of insurance above that required when the Common Area is used for the approved purposes, or that will cause any such insurance to be canceled or threatened to be canceled, except with the prior written consent of WMOA. No personal property of any nature shall be parked, stored or permitted to stand for any period of time on the Common Area, except in accordance with rules and regulations promulgated from time to time by WMOA, and except for personal property owned by WMOA.

Section 6. Sidewalks; Curbs. No Owner shall paint or otherwise deface the sidewalk, curb or any other part of the Common Area. Each Owner must maintain in clean condition all driveways on the Owner's Lot and all sidewalks, curbs, and gutters in portions of street rights-of-way abutting the Owner's Lot.

Section 7. Modular and Temporary Structures and Use. No modular or manufactured home or structure of a temporary character, including but not limited to, trailer, shed, tent, shack, garage, barn or other building, shall be moved to, erected or used on any portion of the Property at any time for a residence, workshop, office, or storage room, either permanently or temporarily. It is prohibited to be domiciled in a mobile home, travel trailer, recreational vehicle or camping trailer on the Property. It is permissible, after written approval from the ACC, to place on a Lot a

temporary portable storage unit, dumpster for construction waste, or portable toilet unit for workers' use during renovation. If written approval for the ACC is not received prior to placement of the aforementioned temporary units, Owners will be subject to a fine pursuant to Article VII, Section 4.

Section 8. View Obstructions. WMOA shall have the right, but not the obligation, to remove, relocate or require the removal or relocation of any wall, bank, hedge, shrub, bush, tree or other thing, natural or artificial, placed or located on any portion of the Property, if the location of the same will, in the reasonable judgment of WMOA, obstruct the vision of a motorist upon any of the private access streets.

Section 9. Parking and Vehicle Storage. No part of a vehicle may be parked on a lawn, grass area, or sidewalk. On a street, a vehicle shall not be parked double or directly across the street from another vehicle such that fire trucks and other emergency vehicles cannot pass. A vehicle shall not be parked on-street overnight. A vehicle shall not be parked on a driveway for a period of five days without moving it. A vehicle shall not be parked on blocks. An unregistered vehicle shall not be parked on the Property. A boat, trailer, or commercial or service vehicle (including a vehicle with advertising or writing on a side) on a Lot shall be parked only in an enclosed garage, except for temporary parking while loading, unloading, or furnishing a service to the Lot during daylight hours.

Owners of vehicles including boats, trucks and recreational vehicles may obtain a permit from the WMOA Property Manager to park in the Sports Club parking lot for a period not to exceed 72 hours. Vehicles parked in such designated area are at the Owner's risk.

All garage doors shall be kept closed except when working in the garage, maintaining landscape and lawns, or while a vehicle or other article is being placed in or removed from the garage.

Section 10. Animals. No animals shall be kept or allowed to remain on the Property for commercial purposes, including without limitation breeding purposes. All dogs shall be kept on a leash while, outside of the owner's Lot or Dwelling, and shall be under the control of the owner at all times. Any animal which becomes a nuisance to or creates a disturbance for any other resident of the Property or their licensees or invitees may be ordered to be removed from the Property by the Board of Directors of WMOA after reasonable notice to the owner of the animal and a hearing on the issue before the Board.

Section 11. Gas Tanks; Water Softeners. No gas tank, gas container, or gas cylinder shall be permitted to be placed on or about the outside of any of the Dwellings or any ancillary building, and all gas tanks, gas containers, and gas cylinders shall be installed underground in every instance where gas is used. In the alternative, gas containers may be placed above ground if enclosed on all sides by a decorative enclosure or other shielding approved by the ACC. Owners may have water softener units installed provided the design, construction and installation location shall have first been approved by the ACC; which approval may be conditioned upon adequate enclosure or other shielding.

Section 12. Mailboxes; Post Lights; Identification Signs; Awnings. No mailbox or paper box or other receptacle of any kind for use in the delivery of mail or newspapers or magazines or similar material, no post light, no identification sign displaying names, numbers or the like, and no awning shall be erected or located within the Property unless and until the size, location, design and type of material for same shall have been approved by the ACC. The ACC may promulgate guidelines and/or specifications to which all such items shall conform. All mailboxes and structures supporting them are the property of WMOA. However, each Owner must maintain in clean, neat, and attractive condition, and free of dirt and mold, the mailbox and its supporting structure pertaining to the Owner's Lot.

Section 13. Garbage/Trash Collection; Mowing. No trash, garbage, rubbish, debris, waste material, or other refuse shall be deposited or allowed to accumulate or remain on any part of the Property, nor upon any land or lands contiguous thereto. All trash, garbage, and other refuse shall be stored in containers inside a garage or underground. WMOA reserves the exclusive right to contract for, designate, and control the collection of garbage and trash and may provide one or more sanitary filled areas which shall be the locations permitted for the discard, storage, or disposal of garbage and waste. All Owners, their successors and assigns may be billed a reasonable trash and garbage collection fee. Any Owner who allows a Lot or Parcel, or any other homeowners' association which allows the common areas it is supposed to maintain, to become overgrown, or permits garbage or trash to collect so as to cause unsightliness, or a fire, mosquito, rat or vermin hazard, shall by this covenant permit such portion of the Property to be mowed, ditched, graded or cleaned by WMOA, and reasonable costs shall be assessed, after written notice that such conditions exist and failure to remedy the conditions, and such costs shall be payable by such Owner or association. Such costs, together with interest at the maximum contract rate permitted by law from five (5) days after the date of demand for payment, shall be secured by a lien against the portion of the Property owned by such Owner or managed by such association, as described in Section 9 of Article VI. No fires for the burning of trash, leaves, clippings, or other debris or refuse shall be permitted on any part of the Property, except by WMOA.

Section 14. Antennas. No exterior radio, television or other electronic antennas and aerials shall be allowed, unless installed so as to be completely concealed from public view, such as in attics, and no such devices shall be allowed in the event the same cause interference to the reception of other residents of the Property.

Section 15. Window Treatment. No aluminum foil, reflective film or similar treatment shall be placed on windows or glass doors.

Section 16. Signs. No signs shall be displayed within the Property with the exception of a maximum of one "For Sale," "For Rent" and/or "Open for Inspection" sign upon each Lot or Parcel, not exceeding 6 x 8 in area, fastened only to a stake in the ground and extending not more than three (3) feet above the surface of the ground. No portion of such sign may be erected closer than twelve (12) feet to any adjoining property line. Signs may be illuminated by reflection from a light source only (rotating, blinking, flashing, and other lights on the sign are prohibited), and such light source shall not in any way reflect light into any adjoining portion of the Property or

street rights-of-way. None of the preceding prohibitions against signage shall prevent the erection of street signs and traffic signs within the Property by WMOA or the City of Venice.

Section 17. Obstructions; Fences. No obstructions such as gates, fences, or hedges shall be placed on the Property so as to prevent access to or use of any of the easements described herein. Any fence, wall or privacy structure within an easement area may be dismantled, WMOA, utility providers or others entitled to use of the easement, at the Owner's expense, for maintenance, erection or replacement of utility facilities. Following completion of construction of any Dwelling, no wall shall be constructed serving such Dwelling, except for replacement walls. In order to preserve the uniform appearance and aesthetics of the community, fences are prohibited, except as hereinafter provided. All fences shall be subject to the ACC's approval as to all aspects of design and location, and subject to compliance with all applicable governmental requirements. Non-visible electronic "fences" for pet control are permitted without ACC approval. No fences shall be permitted on the boundary of any portion of a golf course or any Pond (as described in Section 18 below). The exterior side of any fence permitted must be maintained in a clean, attractive manner and may not be constructed or decorated in such a manner as to create a bizarre or aesthetically controversial or annoying effect. So called "spite fences" are specifically prohibited. With the approval of the ACC, temporary fences may, or if required by the ACC shall, be erected as development boundaries.

Section 18. Ponds. Any ponds or other water retention areas ("Ponds") constructed by WMOA within the Property shall be part of the Property's drainage facilities. In no event may Owners or residents of the Property or members of the public use such Ponds for swimming, bathing, boating or other recreational purposes, other than fishing, which shall be permitted only by Owners or residents of the Property and their guests. Owners and their guests are not permitted to trespass on private property to access any such Pond.

Section 19. Wells; Septic Tanks; Oil and Mining Operations. No water wells or septic tanks may be drilled or maintained on any portion of the Property without the prior written approval of the ACC, which approval may be subject to any conditions deemed necessary or desirable by the ACC. Any approved wells or septic tanks shall be constructed, maintained, operated and utilized in strict accordance with any and all applicable statutes and governmental rules and regulations pertaining thereto. No oil drilling, oil development operations, oil refining, quarrying or mining operations of any kind shall be permitted within the Property, nor shall any oil wells, tanks, tunnels, derricks, boring apparatus, mineral excavations or shafts be permitted upon or in the Property.

Section 20. Electrical Interference. No electrical machinery, devices or apparatus of any sort shall be used or maintained on any portion of the Property which causes interference with the television or radio reception of any other resident of the Property. This provision shall not prevent the use during normal business hours of any equipment required in construction of any improvement upon the Property. No exterior radio, television or other electronic antennas or aerials shall be allowed, unless constructed so as to be completely concealed from public view, such as in attics.

Section 21. Solar Devices. Owners must obtain written approval of the ACC prior to the installation of any solar devices. All proposals for the installation of any solar device shall meet all federal and state laws and guidelines.

Section 22. Above Ground Pools. Absolutely no above ground pools shall be constructed or permitted to remain within the Property, except for hot tubs, therapy pods or hydra spas approved by the ACC.

Section 23. Landscape. The addition or removal of trees, ornamental shrubbery and others such as ornamental figurines, statues, birdbaths, and fountains must have a permit granted by the ACC. Ornaments cannot be visible between the house and street. Existing, unapproved, ornaments must be removed upon transfer of ownership. Each residential property shall possess and maintain no less than three trees with a minimum of ten (10) feet in height.

That portion of each Lot, and also the unpaved portion of a street right-of-way adjoining such Lot, that is not covered by a dwelling, patio, flower bed, driveway or walkway, shall be sodded with St. Augustine-Floritam grass. "Sodded" shall be defined as the result of installing fully matured grass and not plugs or seeds.

Section 24. Rules and Regulations. Reasonable rules and regulations concerning the appearance and use of the Lots, Dwellings or Parcels and Common Area and consistent with the terms of this Declaration, may be made and amended from time to time by the Board of Directors and WMOA in the manner provided in the Articles and Bylaws. If a rule or regulation promulgated by WMOA shall conflict with a rule or regulation promulgated by the Board of Directors, the Board of Directors' rule or regulation shall be null and void but only to the extent in conflict with WMOA's rule or regulation. Copies of such rules and regulations shall be made available to all Owners upon request. All Owners, their families, invitees and lessees shall use the Common Area only in accordance with such rules and regulations.

Section 25. Hurricane Shutters. The installation of hurricane shutters/panels must be reviewed and approved by the ACC. See-through type hurricane shutter/panels for all doors and windows facing the street may be put in place beginning May 1 until December 1. Other types of hurricane shutters/panels may only be put in place to cover the doors or windows facing the street when a weather bureau storm warning is issued and must be removed from such doors and windows within 72 hours after the storm has passed. All shutters/panels must blend with the color of the house.

Section 26. Maintenance. Maintenance/repair/upkeep of each resident's property is essential for Waterford to maintain its aesthetic and economic value. Therefore, all property owners shall maintain their property in accordance with the following guidelines promulgated by WMOA - ACC. Failure to comply may result in a fine as set forth in Article VII, Section 4 of these Declarations.

- (a) Roofs shall be kept in a clean condition.

(b) Home exteriors, including walls shall be clean and free of mildew and be repaired and painted as required.

(c) Cages shall be clean and in proper repair.

(d) Light posts are to be kept in working condition and repainted or replaced as necessary.

(e) Lots are to be mowed, trimmed, weeded and maintained, including street rights of way to the curb.

(f) An Owner whose Lot abuts a lake or pond (or a portion of the Common Area containing a lake or pond) is responsible for maintenance of the Lot to the water's edge, as well any portion of the Common Area between the Lot and the water's edge.

(g) Landscaped Areas - flowerbeds, shrubs and trees are to be trimmed, weeded, mulched and if removed replaced.

(h) Each Owner shall maintain the underground irrigation system on the Owner's Lot in good working order.

(i) No garden or lawn tools, bags of mulch, etc. are allowed if visible from the street.

(j) The ACC may adopt rules restricting outdoor fires.

(k) A request for Permit and Variance must be submitted to the ACC for any landscape changes.

(l) Roofs shall be of glazed or cement tile or other roofing materials with very similar appearance. Exact color and materials specifications of proposed replacement roofs shall be in keeping with the character of the community and subject to ACC approval as provided in these Declarations.

Section 27. Unsightly Objects. All unsightly objects, including but not limited to: side pads, air conditioning equipment, garbage cans, pumps, water softeners, irrigation equipment, pool equipment, compressors and outdoor grills (gas, electric, or charcoal) shall be constructed or stored in such fashion as to not be visible from adjacent properties or streets. Such unsightly objects shall be fenced, walled, hedged or otherwise enclosed by a structure or landscaping, which must be approved by the ACC.

Section 28. Rentals. Each lease made as to any Dwelling shall be subject to the prior written approval of WMOA, which shall not be unreasonably withheld and shall bind the tenant to abide by the terms of this Declaration and all applicable rules and regulations affecting the Property. All leases shall be subordinate to the lien rights of WMOA as set forth herein, whether or not any notice of lien has been given or recorded prior to the making of any such lease. WMOA shall be provided with a copy of each proposed lease for approval as aforesaid and may collect an administrative fee up to \$25.00 in connection with review of each lease submitted.

WMOA shall approve or disapprove any lease submitted within fifteen (15) days; failure of WMOA to take action shall be deemed approval of the lease as submitted. The signature of any officer of WMOA on a document approving or disapproving any lease shall be binding on WMOA as to the matter set forth in said document. No Dwelling shall be leased for a term of less than three (3) months. The right to use the Common Area shall pass to each tenant of a Dwelling, whether or not mentioned in any lease agreement, and the Owner shall not be entitled to the Common Area during any period that the Dwelling is leased. No Dwelling, which is under lease from the Owner shall be occupied by more than two (2) persons for each bedroom in the Dwelling; this occupancy restriction shall apply only to tenants and not to Owners residing in a Dwelling.

ARTICLE IX

MERGERS

Section 1. Mergers. Upon a merger or consolidation of WMOA with another non-profit corporation as provided in its Articles, WMOA's property (whether real, personal or mixed), rights and obligations may, by operation of law, be transferred to the surviving or consolidated corporation or, alternatively, the property, rights and obligations of the other nonprofit corporation may, by operation of law, be added to the property, rights and obligations of WMOA as the surviving corporation pursuant to a merger. The surviving or consolidated corporation may administer the covenants and restrictions established by this Declaration within the Property, together with the covenants and restrictions established upon any other land, as one scheme. No such merger or consolidation, however, shall of itself effect any revocation, change or addition to the covenants established by this Declaration within the Property. No such merger or consolidation shall be effective unless approved by sixty-six percent (66%) of the vote of members of WMOA present in person or by proxy at a meeting of members called for such purpose at which a quorum is present.

Section 2. Impact on Owners. No addition to the Property shall revoke or diminish the rights of the Owners of the Property to the utilization of the Common Area as established hereunder except to grant to the Owners of the land being added to the Property the right to use the Common Area according to the terms and conditions established hereunder, and the right to vote and the duty to pay assessments as herein provided.

ARTICLE X

GENERAL PROVISIONS

Section 1. Deed Restrictions. WMOA (or separate homeowners' associations which may be created in relations to each set of such deed restrictions hereunder) shall have the duty and power to enforce such deed restrictions if expressly provided for therein, and to exercise any authority granted to it. Nothing contained in this Section 1 shall require any person or entity to impose uniform deed restrictions, or to impose deed restrictions of any kind or any part of the Property.

Section 2. Enforcement. WMOA, and any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration or as may be expressly authorized by deed restrictions as described in Section 1 of this Article X. Further, WMOA shall have the right, upon ten (10) days' prior written notice by certified or registered mail, return receipt requested, to take such action as may be reasonably necessary to cure the default of any Owner or other entity which fails to comply with the provisions hereof, and all costs reasonably incurred in connection therewith, together with interest at the highest contract rate permitted by law from five (5) days after the date of demand, shall be due and payable from the defaulting party on demand, and shall be secured by a lien in favor of WMOA, as the case may be, on the defaulting party's portion of the Property, as described in Article VI, Section 9. Failure of WMOA, the ACC or any Owner to enforce any covenant or restriction herein or therein contained shall in no event be deemed a waiver of the right to do so thereafter.

If a person or party is found in the proceedings to be in violation of or attempting to violate the provisions of this Declaration or such deed restrictions, he shall bear all expenses of the litigation, including court costs and reasonable attorney's fees incurred by the party enforcing them, all of which shall be secured by a lien in favor of the enforcing party, against the defaulting party's portion of the property, as described in Article VI, Section 9. WMOA shall not be obligated to enforce this Declaration or such deed restrictions and shall not in any way or manner be held liable or responsible for any violation of this Declaration or such deed restrictions by any person other than itself.

Section 3. Interpretation. Unless the context otherwise requires, wherever used herein, the singular form shall include the plural and vice versa; the use of one gender shall include all genders; the use of the term "including" shall mean "including without limitation; "and the use of the term "attorneys' fees", shall mean fees and costs of attorneys and legal assistants incurred on appeal or otherwise and whether or not suit is filed. The headings used herein are for indexing purposes only and shall not be used as a means of interpreting or construing the substantive provisions hereof.

Section 4. Severability. Invalidation of anyone of these covenants or restrictions by law, judgment or court order shall in no way affect any other provisions, and such shall remain in full force and effect.

Section 5. Amendment. The covenants and restrictions of this Declaration shall run with and bind the land, for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of twenty (20) years unless terminated by the vote of sixty-six percent (66%) of the voting interests of the membership present, in person or by proxy, at a meeting called for such purpose. This Declaration may be amended during the first twenty (20) year period or any subsequent twenty (20) year period by an instrument signed either by: (i) WMOA as provided in Section 6 of this Article X; or (ii) Owners holding not less than sixty-six percent (66%) of the votes; or (iii) by the duly authorized officers of WMOA provided such amendment by WMOA's officers has been approved by at least sixty-six percent (66%) of the total votes cast in person or by proxy at a regular or special member's meeting.

Section 6. Exception. Notwithstanding any provision to the contrary, WMOA shall have the right but not the obligation, to amend this Declaration from time to time for a period of ten (10) years from the date of its recording to make (i) such changes, modifications and additions therein and thereto as may be necessary or desirable, in WMOA's sole opinion, provided that the character of the development on the Property is not materially altered thereby, and also (ii) any changes, modifications or additions as may be requested or required by the FHA, VA, FNMA, GNMA, or any other governmental agency or body ("Governmental Agency") as a condition to, or in connection with, such Governmental Agency's agreement to make, purchase, accept, insure, guaranty or otherwise approve loans secured by mortgages on any portion of the Property or any interest therein. Any such amendment shall be executed only by WMOA and shall be effective upon its recording; no approval of or joinder in such amendment by WMOA, other Owners, or any other party shall be required or necessary.
